Georgia

"Georgia" is the name of a state.

"Georgia" is the name of a song.

"Georgia" is also the name of one of the most dynamic voices in the entertainment industry today!

Carrying on the name of her grandmother, vaudeville singing star, Georgia Diamond, she brings to the stage a timeless presence and a voice that can charm the angels from the sky.

Her headline shows feature favorites from the all time greats — Cole Porter, Duke Ellington, Gershwin, and the very best from pop divas such as Barbra Streisand and Whitney Houston.

Broadway is recreated in song — "Evita," "Les Miserables,"

"Phantom of the Opera," "Cats," and Andrew Lloyd Weber's newest smash hit, "Sunset Boulevard" are all included in two full main stage shows. You will be captivated by a voice that can move audiences to tears. You cannot escape being entranced by the joy in her singing or the purity of her smile!

In addition to her two full main shows, "Georgia" can also perform showcase cabaret sets that include stories and songs from some of the most memorable stars in musical history. This includes a tribute to the late Karen Carpenter and her brother Richard, with such hits as "We've Only Just Begun" and "Close to You."

A salute to Georgia's idol, Barbra Streisand is a sure fire hit featuring the best of Barbara's thirty plus years of chart topping melodies.

Patsy Cline had a string of hits, and a tragic show business story that is told in another of Georgia's very special cabaret sets.

These cabarets are full of insight and stories that make the music come to life. Georgia travels with her husband and musical director Michael, who does the research for her shows and provides piano accompaniment. They have been entertaining audiences together for over 15 years and perform as an amazing team.

A large repertoire allows this act to custom tailor shows to any age group or special audience requirement. Allow us to convince you that all you've just read is true. Georgia wants to sing for you!
